

TOUCH MAG air vents

Smartphone magnetic in-car holder for MagSafe system

TOUCH MAG AIR VENTS is the magnetic smartphone in-car holder designed specifically for iPhones with MagSafe technology: it is possible to place or remove iPhone (featuring MagSafe tech) from the holder in a swift gesture.

Touch Mag Air Vents is extremely **SAFE**, **SIMPLE** and **STABLE**: the magnets are designed to strongly hold iPhone without interfering with its functionality.

Thanks to the unique hook-shaped mount, Touch Mag Air Vents fits all air vents, both round and standard ones.
