Item Code: TESLAHOLDERK

Universal Tesla smartphone car holder

Features:

- Adhesive fixing on Tesla monitor (3M adhesive)
- Adjustable angle thanks to movable arm
- 360° rotation
- Compatible with Tesla 3/X/Y and model S

Compatibility:

Tesla 3/X/Y and model S

DESCRIPTION:

HUG SCREEN is a universal car holder for Tesla cars. Thanks to its practical and firm adhesive attachment, it hooks onto the corner of the Tesla monitor. The arm of the holder is adjustable to allow vertical and horizontal viewing.

Practical and easy to use, Hug Screen is an extremely solid mount that wraps around the smartphone on three sides.
