Item Code: **BTRACERB**

Ultra-steady in-ear Bluetooth® sport headphones.

Technical Features:

- FLEXIBLE EARHOOK to ensure comfort and stability;
- IPX5: to make the headphones rain and sweat proof;
- MICROPHONE and REMOTE CONTROL: to adjust volume and calls easily;
- CLEAR VOICE MICROPHONE: phone call sound optimization.

Compatibility: Universal.

DESCRIPTION:

RACER is the ideal Bluetooth headset for sports activities. The flexible earhooks ensure maximum comfort and stability even during intensive work-outs. Thanks to the IPX5 certification, RACER is resistant to rain and sweat. The presence of remote control allows you to control music and calls easily.
