Item Code: TRAVELHOLDERK  
Smartphone travel holder with clip

### Features:

- 360° rotation joint for vertical and horizontal viewing.
- Adjustable clip for a stable grip on the smartphone
- Clip for attachment to tables and many other surfaces
- Super compact and convenient to carry

### Compatibility:

Universal

## DESCRIPTION:

TRAVEL HOLDER is the universal smartphone holder that is highly compact and practical for carrying around.

The clip attachment adapts to different thicknesses and ensures a firm grip on different surfaces. The holder adjusts to the size of the smartphone and offers a stable grip.

Travel Holder is also equipped with a double joint with 360° rotation, allowing it to be used either vertically or horizontally.
