Item Code: GRAVITYHOLDERWINDK

Smartphone travel holder with clip

Features:

- In-car mounting: on the dashboard or window with suction cup
- Thanks to the support clamps, the smartphone is supported on three sides for maximum hold and stability while driving
- The holder opens and closes automatically with the weight of the smartphone
- Flexible arm

Compatibility:

Universal

DESCRIPTION:

SLIDE FLEXI is the universal, in-car holder for smartphones with dashboard or windscreen mounting.

Thanks to its three support points, the holder hugs and supports the smartphone on three sides, guaranteeing maximum hold and stability while driving.

The holder opens and closes automatically with the weight of the smartphone, adjusting to the size of the smartphone and offering a stable grip.

The long, flexible arm and 360° rotation allow optimal viewing while driving.
