MULTIPOWER PD 32W

Wall Charger with USB-C and USB ports

Technical Features:

- Output Max: 32W
- USB-C port: 20W PD
- USB-A port 12W
- The ports deliver 20W and 12W respectively even when used simultaneously (total output 32W)
- Charge optimization to protect the battery
- Protection circuit against overloads and short circuit

Compatibility:

iPhone, Samsung, Huawei and other Smartphones and Tablets

DESCRIPTION:

The **MULTIPOWER PD 32W** from Cellularline is a charger that allows you to charge two devices simultaneously with a single plug, thanks to its two USB ports.

This charger is equipped with the innovative **Device Detect technology**, which recognizes the connected device and provides a safe and correct charge.

The two ports support 20W for the USB-C port and 12W for the USB-A port, for a total power of 32W.
