DESCRIPTION:

The car charger multiport **MICRON** is designed to simultaneously charge two devices (like smartphone and tablet) in the car with just one plug.

It is equipped with two ports: one **USB port** that provides adaptive charging of **18W** and a **USB-C port with Power Delivery 30W** technology. When used simultaneously, the two ports deliver 15W.

MICRON is Cellularline's smallest car charger and is equipped with a ring to make it easier to remove the product from the cigarette lighter socket.
