Item Code: **BTCORETWS..**
Wireless headset with charging case.

Technical Features:

- LED DISPLAY: case charging percentage indication;
- TRUE WIRELESS TECHNOLOGY: to connect two Bluetooth headsets at the same time;
- DOUBLE MASTER: answer and start the call either with the left or the right earphone;
- AUTOPAIRING FUNCTION: paired and ready for use once extracted from the charging case;
- TOUCH CONTROLS: songs and calls directly from the headset;

Compatibility: Universal.

DESCRIPTION:

CORE is a completely wireless capsule earphone with an elegant, pocket-sized design.

The earbuds offer a total playtime of 20 hours.

The LED display on the charging case shows the percentage of charge of the case in order to know when it's time to recharge the case (through the included USB-C cable).

Calls, music and volume are managed directly from the earphones through touch controls.

Color	Item Code	EAN Code
