MAG TRIO Qi2 WIRELESS CHARGING STATION

3 in 1 Qi2 wireless charging station

Features:

- Max wireless output for smartphone: 15W;
- Max wireless output for earphones: 5W;
- Adaptable slot for charging Apple/Samsung smartwatches;
- Magnetic wireless pad;
- Qi2 certification;
- Equipped with a magnetic adapter to enable charging for all wireless smartphones.

Compatibility:

Wireless smartphones, wireless earphones and smartwatch chargers

DESCRIPTION:

MAG TRIO is the magnetic wireless charging station, designed for the simultaneous charging of smartphones, wireless earphones, and smartwatches.

Thanks to **the Qi2 certification**, MAG TRIO offers fast charging up to 15W for all compatible devices, with precise magnetic alignment, safety, and efficiency. The package also includes a **Magnetic Ring**, allowing the attachment between the device and accessory and enabling wireless charging on all smartphones compatible with this technology.

The secure and high-performing magnetic pad allows the smartphone to be positioned both vertically and horizontally. The base features a dedicated area for charging **wireless earphones**, with a maximum output of **5W**. Additionally, MAG TRIO includes an **adaptable slot** for charging **Apple and Samsung smartwatches**, where the original cable (not included) can be inserted.
