

Wavo AIR

The Most Complete and Flexible Wireless Lav Kit Microphone

JBo1737-BWW

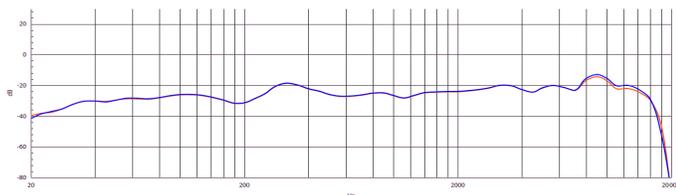

Overview

The Wavo AIR is an 'instant-pairing' wireless microphone kit designed for creators who need freedom in front of the camera. From food vloggers to virtual fitness instructors, Wavo AIR is perfect for delivering tight, broadcast-quality sound - even at a distance. Its high-quality audio is only outdone by its incredible modularity, designed to pair easily with a variety of custom accessories, and be placed in any environment ready for action. The Wavo AIR Kit comes standard with double transmitters, two (2) lavalier mics and cable adapters for both cameras and phones. Creators can pair their wireless mic with audio enhancement accessories including stability and support mounts, or even additional lav mics and transmitters.

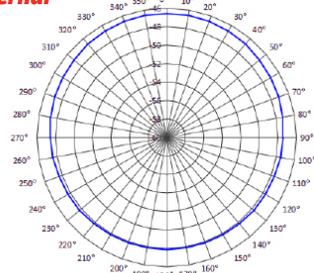

Applications

- High-quality and secure 2.4Ghz wireless audio transmission
- Unique modular mounting system adapts to your creativity
- Fast pairing and easy setup process. Up to 6 hours battery life
- Includes 2x lav mics and double transmitter (TX)
- Works with smartphone or camera straight out of the box
