Features in detail

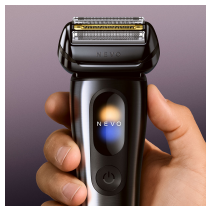

Perfectly smooth skin

The NEVO foil shaver is equipped with the World's 1st AeroTouch Shaving Technology that minimizes the friction on the skin, for an incredibly smooth gliding and close shave.

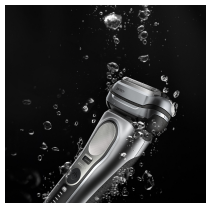

Diamond sharp blades

Effortlessly shaves even the densest hair, also in the hardest to reach areas.

Real time guidance

The Smart Display provides you real-time personalized insights based on your shaving habits, helping you easily keep your NEVO performing at its best.

Wet & dry use

The Series 9 PRO+ is 100% waterproof and can be used dry or wet, with foam, gel or even in the shower.

German craftsmanship

Made in Germany, with the finest materials, advanced engineering and meticulous attention to detail.

Ultra gliding foil

For an ultra close shave, incredibly light on skin. Our smoothest gliding technology.

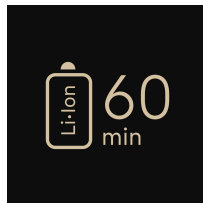

NEVO Smart Processor

Adapts real-time to your beard density, for our best performance ever.

Durable lifetime

The only electric shaver with a surgical stainless-steel unibody. Ultra-light and engineered for maximum durability.

Shave up to 4 weeks without recharging

The powerful Li-Ion battery offers up to 60 minutes of cordless runtime. A 5-minute quick charge is enough for one shave.

Accessories in detail

A shaver like new, for years

The NEVO Care 7in1 System automatically cleans, cares and charges your shaver. Cleans 10x better than water, while optimizing blade performance and lifetime.

Keyparts & refills

NEVO replacement head, NEVO-S silver

Get back 100% shaving performance. For optimal shaving, we recommend replacing your shaver's foil & cutter block every 18 months. Easy to change in 1 click.
