Features in detail

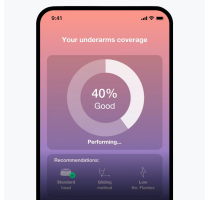

The World's 1st Smart IPL

The only connected IPL intelligently guides you and adjusts your hair removal plan and sessions to your needs for your best results.

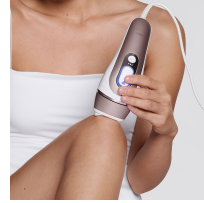

Personalized treatment plans

The smart app recommends the optimal number of sessions based on body area, hair density and desired results.

Real-time coverage guidance

Get your best results fast and easy. Follow the app for real-time coverage tracking to avoid missed spots and patchiness.

Smart SkinProtect sensor

Skin tone varies across the body. Our best sensor reads your skin tone 80x per second, automatically adjusting each flash to your different body areas for a safe treatment.

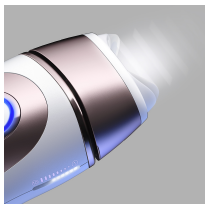

3 treatment modes

Choose the Sensitive Mode for a gentle treatment of sensitive areas, the Balanced Mode for a balance between quick results and a gentle session, or the Power Mode for quick results.

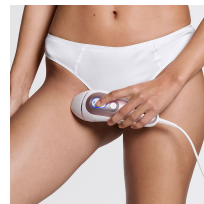

Our fastest IPL

Treat your full body in just 10 minutes.¹ Requires only 2 sessions per month for a total of 3 months. Then touch-up, if needed.

400,000 flashes

Braun IPL Skin i-expert comes with 400,000 flashes that deliver an equivalent of 47 years of full body treatments.²

Gentle on intimate

Braun IPL devices are both dermatologically approved and gynecologically tested, making them suitable for use on intimate areas.³

Accessories in detail

Smart Flex head

Thanks to flexible wings, the Smart Flex head adapts to the curves of your body for optimal skin contact to avoid missed hairs. Ideal for legs, arms and tricky areas.

Precision head

Use the Precision head for a gentle treatment of intimate areas.

Gillette Venus Razor

Before IPL treatment, remove all visible hair in the area you want to treat with the razor. This will help the light pulse to penetrate the hair root more easily.

¹ Legs (upper & lower), underarm, bikini, upper lip ² When following recommended regimen. ³ Not to be used by women on: scalp, eyes, forehead, nipples, on mucous membranes such as the labia minora, vagina, anus; and men on: scalp, face, neck; nipples, penile shaft, scrotum, anus.
