ACTIVE GAMING SEAT

ACTIVE GAMING SEAT

FEATURES

TOTAL FREEDOM - The special ActiFit™ design provides complete freedom of movement when gaming, allowing you to maintain an active and correct sitting position.

ULTIMATE COMFORT - The Active Gaming Seat adapts to all your positions as you get immersed in the on-screen action. Using high-tech, breathable materials, it remains comfortable even after many hours of play.

YOUR STORAGE - Four knitted easy-access pockets provide space for your controller, your phone, the tv remote or whatever you want to put in there.

FULL CONTROL - The unique Playseat MotionForce™ rubber feet ensure you always have the best sitting position when playing.
