Highlights

Temperature control

Select your perfect temperature from 0-12°C to enjoy tap beer just how you like it.

Fresh for 30 days

Keep beer fresh to enjoy the perfect pour for 30 days.

Your favorite draft beers

Choose from a wide variety of your favorite draft beers — from crisp lagers to hoppy IPAs and refreshing wheat beers.

Dishwasher-safe drip tray

The removable drip tray is dishwasher-safe for easy cleaning anytime.

Chills in 12 hours

Cooling time from room temperature to 3°C in 12 hours.

Removable tap handle

Tap handle removes easily when not in use for cleaning and child-safety.

LED display

LED display shows when the beer is at the perfect temperature, how much is left in the keg, and how long it will stay fresh.

Clean and hygienic

Each new keg comes with a new tube for a clean, hygienic pour.

Easy to change kegs

Just open the double doors in front to load a new keg of your favorite draft beer anytime.
