#### AUSTRALIAN CONSUMER LAW COMPLIANCE

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Please refer to [razer.com/warranty](http://razer.com/warranty) for further details.

#### THE FOLLOWING LIMITED WARRANTY ONLY APPLIES TO AUSTRALIA

**Limited Warranty.** Razer warrants the Product to be free from defects in materials and workmanship (subject to the terms set forth herein) when used normally in accordance with the official documentation for the applicable Warranty Period from the date of retail purchase. If the Product is, or contains, a rechargeable battery, Razer does not provide any warranties for the battery life, as all rechargeable batteries can be expected to lose charging capacity over time and this is not considered a defect. Your actual battery life will vary depending on the conditions in which it is used.

**Limited Warranty Period.** You are eligible for Limited Warranty support for the following periods of time commencing upon the date of retail purchase of your Product ("Warranty Period"):

Razer Gamer Room	1 year
------------------	--------

All new Products will have the Warranty Periods listed above, subject to local law. Certain "end of life", sell out or discontinued Products may have a shorter Warranty Period; this will be clearly marked at the time of purchase and the given Warranty Period will be stated at that time. Factory Refurbished Products will have a Warranty Period of 90 days. If you are uncertain whether your Product is eligible for Limited Warranty support, please contact our support team for clarification here.

**Exclusions and Limitations.** This Limited Warranty does not cover:

(a) software, including (without limitation), (i) the

operatingsystem and software added to the Razer-branded hardware products through our factory-integration system, (ii) thirdparty software, or (iii) the reloading of software, software configurations or any data files;

- (b) non-Razer branded products and accessories, even if packaged and sold with the Product;
- (c) problems with and/or damage to the Product caused by using non-Razer accessories, parts, or components;
- (d) damage caused by service (including upgrades and expansions) performed by anyone who is not officially acting as an employee, representative or sub-contractor of Razer;
- (e) claims arising from any unacceptable use or care of the Product, including (without limitation) misuse, abuse, negligence, unauthorized modification or repair, unauthorized commercial use or any operation of the Product outside Razer's recommended parameters;
- (f) claims arising from external causes, including (without limitation), accidents, acts of God, liquid contact, fire or earthquake;
- (g) Products with a serial number or date stamp that has been altered, obliterated or removed;
- (h) Products for which Razer will not receive payment; or
- (i) cosmetic damage and normal wear and tear, including (without limitation), scratches, dents and chips. Razer does not warrant that the operation of the Product will be uninterrupted or error-free.

**Remedies under this Limited Warranty.** The benefits to the consumer given by this Limited Warranty are in addition to other rights and remedies of the consumer under a law in relation to the goods or services to which this Limited Warranty relates. If an eligible claim on this Limited Warranty is received by Razer within the applicable Warranty Period, Razer will (at its sole option) either: (a) repair the Product or the defective parts at no charge, using new or refurbished replacement parts; (b) provide online Razer Store vouchers of a value equivalent to the retail purchase price of the Product; or (c) exchange the Product with a Product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original Product. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods. Razer reserves the sole right to determine whether a claim is eligible and/or whether the Product is defective. Where the Product is an "end

of life" Product model, Razer may (at its sole option) exchange the Product with a functionally equivalent substitute model from Razer's current Product range. Razer has the sole option to provide any other type of remedy in addition to or in substitution of the aforesaid remedies. Repaired or exchanged Products shall be warranted free from defects for a period of ninety (90) days after date of repair or exchange (as the case may be), or for the remainder of the original Warranty Period, whichever is longer.

**Remedies under Australian Consumer Law.** Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

**Entire Limited Warranty.** No Razer supplier, dealer, agent, or employee is authorized to alter or extend the terms of this Limited Warranty or to make any representation whatsoever. Razer reserves the right to amend the terms of this Limited Warranty at any time without notice.
