

NEXT LEVEL RACING®

VICTORY SIMULATOR COCKPIT

The Next Level Racing® Victory Simulator Cockpit is the perfect entry-level solution for aspiring sim racers seeking an affordable, full-cockpit experience without compromising on comfort or durability. Its tubular frame design, combined with a rigid back racing-style seat finished in PU leather and suede, offers a sturdy yet comfortable setup. Designed to accommodate a wide range of low to mid-range sim racing electronics, the cockpit is compatible with wheelbases up to 10 N.m, as well as a variety of pedals and shifters. With fully adjustable wheel, pedal, and shifter plates, along with an ergonomically optimized seat and compact design, the Victory Simulator Cockpit delivers an exceptional GT-style racing experience tailored to both new and experienced racers.
